

Tuition and study fees for the academic year 2025/2026

The Directive on tuition fees and tuition fees (hereinafter “the Directive”), which was approved by the Academic Senate of the University of Prešov in Prešov on **10 October 2022**, further regulates the collection of these fees.

The Academic Senate of the University of Prešov approves:

I. Tuition fees pursuant to Article 3 of the Directive

1.	Tuition fees in bachelor study programs in full-time form of study for exceeding the standard length of study and for simultaneous study	€1,000
2.	Tuition fees in full-time Master's degree programmes for exceeding the standard length of study and for parallel studies	€1,300
3.	Tuition fees in doctoral study programmes in full-time form of study for exceeding the standard length of study and for parallel studies	€1,800
4.	Tuition fees in study programmes exclusively in a language other than the state language (a) in the bachelor study programme (b) in the master study programme (c) in the doctoral study programme	€1,000 € 2 000 €3 000

* Tuition fees due to studies longer than the standard length of study of the respective study programme will be determined as a proportion of the annual tuition fees depending on the number of credits to be obtained by the student in the respective academic year in relation to the standard burden of the student. The amount of tuition fees is calculated on the basis of multiplying the number of credits registered by the student and the value of 1 credit in the given study program, which is calculated as the ratio of the annual tuition fees and the standard student load in the program. This amount is then mathematically rounded to an amount without decimals (If the figure that decides is greater than or equal to 5, the amount is rounded up; if the figure that decides is less than 5, the amount shall be rounded down). (Article 3(5) of the Directive)
