## **RECOMMENDATION**

Prof. Krzysztof Rejman PhD, has been involved in the implementation of research and scientific projects, also of an international nature, for many years. Since 2015, he has held the position of Rector of the State University of Technology and Economics in Jaroslaw. Prof. Rejman is the author or co-author of many scientific publications in the field of social sciences and humanities. His scientific interests include research on cross-border areas, with particular emphasis on the possibility of cooperation between Poland and Ukraine, as well as local and regional communities. At the same time, he cooperates with many organizations in the country and abroad regarding research and development of the Three Seas Initiative and the Carpathian Mountains in the field of tourism, academic cooperation and the development of cross-border areas. In addition, extensive pedagogical experience, participation in numerous scientific conferences and work in a group of experts indicate the deep commitment of Prof. Rejman in scientific activity.
