Mgr. Peter Kyslan, PhD.**Semester:****Contact lessons:** Lecture, Seminar**Number of
ECTS
credits:**

WT

Recommended course load (in lessons):

5

Weekly: 2/1**Per course:** 26,13**Course assessment and completion:** Exam**Continuous assessment:**

The course is finished by taking an exam. During the semester the student is present at the seminar in the form of critical-analytic performance on a selected topic and submits an individual semester work. The student takes an oral exam during the exam period.

Final assessment:

exam

Course objective:

Course objective:

After the course the student will be able:

- formulate the terms and issues of Philosophy of History as a systematic philosophical discipline
- define a category of history including its structure
- characterize historical and systematic range of philosophy of history
- analyze classical philosophy of history and its main features
- explain the fate of philosophy of history
- differentiate between three types of historical thinking - philosophy of history, historicism, post-history.

Course content:

Philosophy of history as a specific and problematic part of fundamental-philosophical reflections. Historical knowledge historiography, status of philosophy of history. Man and history. Historical time, reason, progress and aim of history. Genesis of humanity and meaning of history as a crucial moment of philosophical reflection of the historical process. Causal and teleological dimension of philosophy of history and its general-emancipated, social and political range. Difficulties with philosophy of history and philosophical anthropology. Critic of historical reason. Current state and perspectives of philosophy of history.
