

KEGA 021PU-4/2024, 2024-2026, Implementation of an alternative measurement system based on advanced technologies with elements of automation in the teaching of science subjects

KEGA 009PU-4/2021, 2021-2023, Electronic textbook of mathematics for natural sciences with mathematical software support

Visegrad fund (Small Grants) 11510031, 2015, 20th International Summer School in Global Analysis and its Applications

APVV 0281-11, 2012-2015, Executive Functions as a Structural Component of Ability to Learn

KEGA 015PU-4/2013, 2013-2015, Methodology for implementation of interactive boards in training to competences in teacher training techniques, physics and mathematics for lower secondary education

GAČR 201/09/0981, 2009-2013, Global analysis and geometry of fibred spaces

VEGA 1/0577/10, 2010-2011, Global analysis on principal fibred spaces

APVV – MVTS SK-CZ-0006-09, 2010-2011, Global analysis on manifolds

APVV – MVTS SK-CZ-0081-07, 2008-2009, Global analysis on manifolds

VEGA 1/3009/06, 2006-2008, Global analysis of variational functionals on manifolds

GAČR 201/06/0922, 2006-2008, Global analysis and its application

GAČR 201/03/0512, 2003-2005, Geometric analysis and its applications in physics
