ADMISSION PROCESS

Admission requirements and general information about the admission process

The main requirement for admission to the Bachelor study programme (the first degree of higher education, pursuant to Section 52 of the Act No. 131/2002 Coll. on Higher Education and on Amendments and Supplements to Certain Acts) is successful completion of secondary education with Maturita (a school-leaving certificate).

Applicants submit their application for a selected study programme directly to the faculty. Applications must be accompanied by a structured Curriculum Vitae, a certified copy of the Maturita Certificate, copies of the end of the year reports and, when applicable, the half-year report from the last year of the secondary school.

Applicants who have not yet passed the Maturita exam and cannot provide relevant information in the application form shall submit the proof of passing the Maturita exam subsequently (immediately after passing the exam), no later than the deadline set by the Faculty. If the applicant fails to submit this document, he/she cannot be accepted.

A receipt for the payment of the relevant admission fee must be affixed to the third page of the application form (the fee is payable via bank transfer or the U-type postal money order; applications without a proof of payment will not be accepted).

Admission requirements for foreign applicants are the same as for citizens of the Slovak Republic.

Further information on the admission process will be published on the Faculty's website and will be sent to registered applicants one month prior the entrance examination.
