## HOSPITALITY INTERNSHIP

### LetsGoSpain.es

We founded this service for hotels 6 years ago with 15 students only in Cataluña. We had the experience that students who came for an internship to Spain lacked the pedagogical follow up once they arrived.

Nowadays we welcome over 100 students to both Cataluña & Mallorca and have strong relations with the leading hospitality institutes in the whole of Europe. Currently we are managing 7 hotels in Spain (Mallorca, Menorca and Cadiz), we are looking for trainees during all year in different departments eg. animation, reception, bar, restaurant, kitchen and marketing.
