

# WE'VE GOT THE GOOD JOBS.

## Internship - Live Game Tester (Bug Reporting)

Goodgame Studios is Europe's fastest growing gaming company and one of Germany's most successful technology businesses. With more than 600 employees at our headquarters in Hamburg we develop innovative online games which are played by more than 173 million players in 25 languages across 200 countries. Our talented, motivated team of experts and newcomers forms the basis of our success. Become a part of the success story and apply now!

**Are you a passionate gamer looking to get to know the gaming industry better? Our internship offers you a swift and comprehensive insight into the production processes for our games. It is ideal for a co-op program or as a work placement between leaving school and making the next step in your career. Your role will require you to record bugs in our live games and categorize, reproduce and communicate them to our game developers.**

**An internship as a Live Game Tester is the perfect starting point for jobs in the gaming industry.**

### YOUR JOB

- Play our games non-stop!
- Summarize and forward bugs that appear in our live games
- Verify and reproduce the bugs
- Analyze and evaluate the bugs
- Communicate with our community managers and developers

### YOUR PROFILE

- A passion for (online) games
- A high level of quality awareness
- An eye for detail and an extremely precise working approach
- A high level of motivation to make our games even better
- You are open, friendly and a genuine team player
- Technical understanding and good MS Office skills
- Good knowledge of German and English, both spoken and written
- Some experience of programming and bug tracking software is desirable (but not essential)

### WE OFFER

... an exciting job where you can assume responsibility and develop professionally. A dynamic team with friendly, highly-qualified colleagues from all over the world. Strong, sustainable growth and fresh challenges every day. Flat hierarchies and short decision paths. A culture of mutual respect and an outstanding working environment. Further training with workshops, language courses and technical reference works, a healthy work-life balance, regular team events, sporting and leisure activities and much more!
