

PLACEMENT OFFER IN THE CZECH REPUBLIC

Educa International, o.p.s. is a non-governmental, non-profit organisation established in 2007. It provides beneficial services for the public aimed at education and development of human resources, support of qualification and further education of pedagogic staff and organisation of internships for students, young employees, teachers and trainers.

As a consortium of eight Czech universities and schools and we provide Erasmus placements for students of Czech universities. In addition, we provide internships in the Czech Republic (Erasmus placements for students from abroad).

Currently, we can offer many trainee positions within the scope of Erasmus programme with a grant from a sending university, but we can also find you a company and trainship according to your needs and professional specialisation. Recently we offer:

- P.T. (physical training) and sport – placement at a wellness centre of an international hotel in Prague – work at a sports centre and sauna, services of a trainer for the hotel guests, offer for 3 students working always together, working hours: 10 a.m. – 10 p.m., daily, irregular 8 hours' working time. This offer is permanent and the beginning of the internship is possible immediately.

- language teacher – English, German, French or Spanish language – this offer stands only for students of a teaching study programme or philology – they do not have to necessarily be native speakers. Internship is possible at schools in the whole Czech Republic (the age of students from 7 to 19 years) and at kindergartens (children of the age from 4 to 6). This work includes especially improving communication skills in a foreign language. Combination of two languages is an advantage for a trainee placed at a primary or secondary school, e.g. English – German, English – French language. This offer is permanent and the beginning of the internship is possible from September till June (10 months) or in the period from September to December or from February to May (3-4 months).

- work at travel agencies and hotels – possible within the study programme of tourism, management, business and alike.

- work in the business company, import and export – This offer is permanent and the beginning of the internship is possible immediately.

For more information or to apply for an internship, do not hesitate to contact us via this email or use any contact information mentioned below.

We look forward to our future cooperation.
