Short description of the company	It is a middle-small local primary school with about 220 pupils aged from 6 till 15 years. The school is located in the south-east of the Czech Republic (district: Blansko). It is a village school, which is attended by many pupils from small local villages in the region. It is located in an economically disadvantaged area. Most of the pupils and their families do not have the opportunity to travel. The school has no special orientation, it is focused on general primary education for pupils from class 1 - 9. According to the curriculum the pupils are taught 2 foreign languages : English and German.
