Subject area (languages; education; mathematics) Location Start Date Duration Working hours per week Description of activities,tasks	All the subjects of infant, primary and secondary schools Schools of Gussago Institute September 2014 9 months: school year from September to June 24 We have a special project for English – French native speaker students. It involves the presence of five English native speaker students and one French native speaker from the European universities. Every class, from the preschool to the lower secondary school, will work with the English native speakers for two hours a week from September to June in each school year. The native-speakers will always be accompanied by an Italian teacher for important training of foreign language and general teaching of Italian compulsory education. The students will have the possibility to communicate in a foreign language every week, enriching the curricular hours already set by departmental regulations.
