# WELCOME TO SACRED HEART CATHOLIC PRIMARY SCHOOL

# MISSION STATEMENT

Where God's Holy People pray, reflect, learn and grow to mirror the love of Jesus.

# The aims of the school

- To ensure that ,,every child matters" by making proper provision for their full physical, intelectual, social, moral, emotional and spiritual development.
- To be a living and worshipping community within the Sacred Heart Parish Family, and in this way contribute to the entry of its members into the full life of the Catholic Church.
- To be so inspired by the Gospel, that Sacred Heart is seen to be a genuine alternative to other forms of schooling.
- Todevelop a sense of civic responsibility, including the promotion of race equality and community cohesion.
- To bring more joy, happiness and hope into the lives of members of our school and parish family.

### IMAGINE A PLACE...

- Where every member of the community is valued and encouraged to develop their God given potential.
- Where every child matters.
- Where every child cen be a thinker, leader, organiser, communicator, explorer, creator, inventor and artist.
- Where the line between learning and fun is invisible.
- Where friendship are made forever.

### The mission of the school is achieved through:

**SPIRITUALITY** – they pray together daily and make worship a priority in their school community.

PARISH COMMUNITY – they hold the Mass sacred and the need to pray together as a parish family on Sunday.

**CURRICULUM** – they strive to develop a Jesus – centred teaching and learning environment in which a broad and balanced curriculum is delivered.

WIDER COMMUNITY – they recognise they are part of a multicultural society and as such encourage greater involvement e.g. visiting places of worship for other faiths, inviting outside guests into school.
