(Important Notes)

- Our mail system will not accept files larger than 10MB (depending on how your mail is routed, smaller files may also be rejected before reaching us). We advise you to kindly send each application separately, to compress files before attaching, and / or to use an outside storage system.
- We have noticed several cases where scanning process was not properly executed. Please recheck the result of scan before sending.

Selection Procedure

(1). Examination of application by Josai and Josai International University (April / May).

We ask the applicants to express their commitment to hard work, and to use this opportunity to enhance their future career possibilities. Also, we hope that they will work in some capacity as a bridge of good will between the two countries in the future. Other various factors, such as field of study, language ability, balance of the number of students among the home universities of applicants, etc. may be considered.

(2). Students will receive the result of selection from Josai via their home university (late May / early June).

Students should then contact the Center for International Education of the university they are assigned to (e-mail address will be included in the notice of selection).

(3). Students to arrive in Japan (September).
