

ANNEX no. 7:

The field of study to which the field of the habilitation proceedings and the inauguration proceedings is assigned:

Field of habilitation and inauguration proceedings:

Economics and Management
Management

Faculty of Management and Business

A. GENERAL MANDATORY CRITERIA	Associate professor	Professor
A.1. Scientific degree PhD. (year of obtaining)		
A.2. Title associate professor (year of obtaining)	-	
A.3. Pedagogical activity (number of years)	3 years after obtaining the PhD. degree	3 years after obtaining the associate professor degree
A.4. Supervision of successfully completed PhD. students (number)	-	2
A.5. Currently supervising PhD. students (number)	-	1
A.6. Authorship of a textbook for universities (number)¹	1	1
A.7. Authorship of lecture notes and teaching texts (number)²	1	2
A.8. Authorship of scientific papers in total (number)	25	55
A.8.1. Authorship of publications at least at the category A (number)³	3	6
A.8.2. Authorship of publications in the journal registered in the Web of Science database with $IF \geq 0,50$ or $HI \geq 12$, alternatively in Scopus database with $SNIP \geq 0,50$ or $HI \geq 12$ (number)⁵	1	2
A.8.3. Authorship of publications in scientific journals (number)	13	28
A.9. Written positive references from international experts (number)	-	3
B. SPECIFIC MANDATORY CRITERIA		
B.1. Supervision of successfully completed theses at the first or second level of study (number)	10	20
B.1.1. Supervision of successfully completed diploma theses (number)	5	10
B.2. Responses or citations to publication activity in total (number)	25	75
B.2.1. Citations registered in Web of Science or Scopus databases (number)	10	20
B.2.2 Foreign citations (number)	15	30
B.3. Completed grant and other research tasks (number)	4	7
B.3.1. The research team's principal investigator or the responsible investigator. At habilitations, the deputy principal investigator or the deputy responsible investigator is also recognised (number)	1	2
B.3.2. Co-investigator (number)⁴	3	5
B.4. Current research projects. In the case of habilitation, at least the level of co-investigator, in case of professorial appointment at the level of the principal investigator, or a responsible investigator (number)	1	1

Explanatory notes:

¹ It is a type of publication output classified as a "textbook for universities" within the "P1" category as defined according to the Decree of the Ministry of Education, Science, Research and Sport of the Slovak Republic No. 397/2020 Coll. (formerly categories ACB, ACA). For the

purposes of these criteria, only the author of a part of a publication of at least 3 author sheets is considered to be the author or co-author of a “textbook for universities”.

² It is a type of publication output classified as “lecture notes” or “teaching texts” within the “P1” category as defined according to the Decree of the Ministry of Education, Science, Research and Sport of the Slovak Republic No. 397/2020 Coll. (formerly category BCI). For the purposes of these criteria, only the author of a part of the publication of a minimum of 3 author sheets is considered to be the author of “lecture notes” or “teaching texts”. The outputs of the publication activities, “lecture notes” or “teaching notes”, can be replaced by a “textbook for universities”.

³ Classification of A+, A, A- category outputs (publications)

A+	<p>The international excellence category (A+) is considered to be:</p> <ul style="list-style-type: none">- outputs published in a scientific journal that has been assigned quartile Q1 and Q2 in the Web of Science or Scopus database.
A	<p>The internationally recognised category (A-) is considered to be:</p> <ul style="list-style-type: none">- outputs published in a scientific journal that has been assigned quartile Q3 in the Web of Science or Scopus database- outputs published in a scientific journal that has been assigned an $IF \geq 0.50$ or $HI (h\text{-index}) \geq 12$ in the Web of Science database, or alternatively a scientific journal that has been assigned a $SNIP \geq 0.50$ or $HI (h\text{-index}) \geq 12$ in the Scopus database,- a monograph or a chapter in a monograph in a world language published by a reputable foreign publishing house (respectively listed in the list of selected foreign publishing houses of scientific literature that carry out anonymous peer review – „CREPC“ „Central Register of Publication Activity“)- a scientific paper in a conference or non-conference proceedings, if it is published in a reputable foreign publishing house (respectively listed in the list of selected foreign publishing houses of scientific literature that carry out anonymous peer review – „CREPC“ „Central Register of Publication Activity“) and indexed in the Web of Science or Scopus database,- a study in a journal or proceedings in the form of a scientific monograph in a world language if it is published by a renowned foreign publishing house (respectively listed in the list of selected foreign publishing houses of scientific literature that carry out anonymous peer review – „CREPC“ „Central Register of Publication Activity“).
A-	<p>We consider the internationally recognised category (A-) to be:</p> <ul style="list-style-type: none">- outputs published in a scientific journal that has been assigned quartile Q4 in the Web of Science or Scopus database and, at the same time, if this output does not meet any of the criteria listed in the classification of category A outputs in this table.

⁴ A co-investigator is defined as a person at least in the position of an investigator, i.e. at least in the position of a member of the research team of a grant or other research task
