

**UNIVERSITY OF PREŠOV**  
**FACULTY OF SPORTS**  
Department of education

**Dissertation thesis project**

The candidate will prepare the dissertation thesis project, including a list of bibliographical references, in accordance with the PU directive on requirements for final theses, their bibliographical registration, originality control, storage and accessibility.

Link: [https://www.unipo.sk/public/media/11422/DIRECTIVE\\_on%20Final\\_Theses\\_2025.pdf](https://www.unipo.sk/public/media/11422/DIRECTIVE_on%20Final_Theses_2025.pdf)

**Structure of the dissertation thesis project:**

- title page,
- content,
- abstract in Slovak and English,
- the current state of the issue addressed (subchapter 1; within each subchapter the candidate will demonstrate the ability to analyse existing knowledge using one of the citation techniques),
- the aim, hypotheses and objectives of the thesis (subchapter 2),
- research methodology and research design (subchapter 3),
- list of relevant bibliographic sources used.

**Formal requirements of the dissertation thesis project:**

- *project scope*: maximum 7 pages (from theoretical analysis to research design, inclusive),
- *font type*: Times New Roman, size 12, uniform throughout the project, except for headings, footnotes, illustrations, tables and appendices,
- *page layout*: margins left 3,5 cm, right 2 cm, top and bottom 2,5 cm, portrait orientation, 1,5 line spacing (footnotes have 1 line spacing),
- the dissertation project is written in Slovak (except for the study programme offered in English), in the first person plural, in the future tense,
- the project is printed on one side of the sheet by computer printing, on white A4 paper (297 mm x 210 mm) in black type so that it is clearly legible.

In Prešov 15. 01. 2026

prof. PaedDr. Jaromír Sedláček, PhD.  
Chairman of field committee
